RULES OF PARTICIPATION

in the XXXII International Chess Festival "CRACOVIA 2021"
hereinafter referred to as "Festival" IN CONNECTION WITH COVID-19

1. Only healthy players without symptoms indicating an infectious disease and/or who are not living with a person placed in home isolation/quarantine are allowed to participate in the Festival.
2. Players must observe social distancing rules and increased hygiene regulations (including hand disinfection).
3. Only players playing in the tournament after prior hand disinfection and a possible body temperature measurement, as well as honorary guests and tournament staff, including organizers and referees, will be allowed into the playing hall.
4. Parents/legal guardians or their designated guardians are responsible for minors and their health.
5. Parents/legal guardians or designated guardians not participating in the tournament are not permitted in the playing hall.
6. Parents/legal guardians or designated guardians of minors are required to pick up players immediately after they have completed their game.
7. Players, parents/legal guardians or designated guardians of minors who are on the hotel premises must cover their mouth and nose (during the game at the chess board, the player can take off the mask).
8. Shaking hands before and after the game is not obligatory.
9. After finishing the game the players are required to leave the room after setting up the chess pieces and reporting the result of the game.
10. Those who do not follow the sanitation guidelines will be expelled from the tournament forfeiting the registration fee.
